Tools for Your Lost Dog Recovery Kit

Short List of Essentials

- large flashlight
- cell phone or walkie-talkies fully charged
- staple guns with extra staples on your person
- extra leash, collar and harness

For Night Searches

- proper weather gear for you and your hound
- reflective wear for human and greys. If you cannot locate reflectors or lights for collar, carry a glow stick

Other Things We Carry in Our Kits

- map of town and highlighter
- can of wet, smelly food or tuna and smelly treats & food bowls
- pens & paper
- small pocket mirror for spooky hounds with whom you can't make eye contact
- clear tape for business windows
- change of socks & shoes
- bug spray
- small first aid kit
- extra batteries for flashlight
- car charger for cell phone
